## *Designs by Lallier*

*Designs by Lallier* offers upscale Gifts and Mementos including luxurious Linen Prints and complementing Linen Greeting Cards for an added special touch! We also offer elegant Magnets that are made of high quality extra strong acrylic and encapsulate the image, as well as Postcards. Styles below are great for Magnets. Many come in matching Greeting Cards and Prints. If you like a certain image, please ask us for availability.

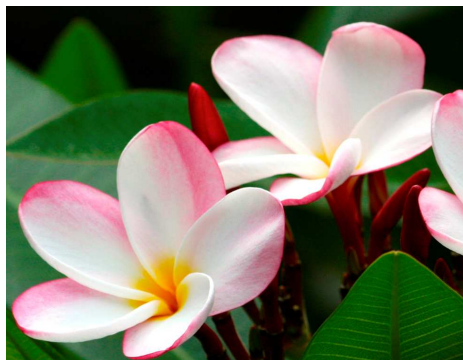

We can work with you to tailor what is best for your location. No minimum order on various products. Popular "Assortment Packs" for each city can include Collages, Skylines, Beaches and other favorite tourist locations. Typically any 3-4 images are available in a Collage and 1 -6 images in a Postcard. Assortment Packs are "best sellers" and help increase sales and happy customers, since they allow many options for customers to select from, and do very well. Customers have fun looking through the different locations in a city and selecting the ones they visited or like best. Each product offers affordable "Luxurious Memories". If you don't see a location desired, please let us know. We have many others and are always expanding.

In addition to Gift Store mementos and gifts, most of these items can be customized and are also available for advertising, hospitality and amenity or room gifts. They can include a logo or images to match your brand for an extra personal touch. As room gifts the Postcards and linen Greeting Cards can help direct guests to your Gift Stores should they like to order more to take with them to remember their visit in a special way!

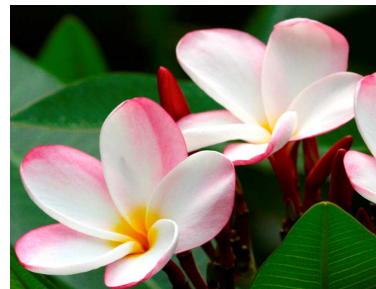

Our Products are gladly made, printed and/or assembled in the USA!
