La Quinta, Palm Desert and Palm Springs

Designs by Lallier

Designs by Lallier offers upscale custom gifts and mementos including luxurious magnets. They are made of extra strong acrylic that encapsulates the image.

We can work with you to help tailor what is best for your location. No minimum order. Popular "Assortment Packs" are available for each location and can include single styles or collages of various favorite tourist locations. Typically any 3-4 images are available in a collage. Assortment Packs are "best sellers". They do well and help increase sales and happy customers, since they give more options for customers to select from. Customers have fun looking through the many different locations in an area, and selecting the ones they visited or like best.

In addition to gift store mementos, they can be customized and are also available for advertising, group gifts and hospitality needs. They can include a logo or favorite images to match your brand for an extra personal touch. Each product offers affordable "Luxurious Memories".

Our Products are gladly made, printed and/or assembled in the USA!
